

Specification Sheet

Part Number: 110-99000

A portable pull force gauge that measures tensile force and displays digital reading on the LCD screen.
NiCD battery and built-in memory backup for on-site calibration of tools.
Can be used with all HellermannTyton mechanical hand tools.

UC200 Tension Gauge, 1/pkg

Article Number 110-99000

Type UC200

Color Black (BK)

Quantity Per EA

Product Description HellermannTyton's UC200 tension gauge tests and displays tensile force when calibrating tools on site. The handheld, portable pull-force gauge features an NiCD battery and built-in memory backup for accuracy.

Short Description UC200 Tension Gauge, 1/pkg

Global Part Name UC200-AL-BK

Technical Description	UC200 Tension Gauge for tensile read outs when calibrating tools on site
Material	Aluminum (AL)
Material Shortcut	AL
ROHS Compliant	Yes
Package Quantity (Imperial)	1
Package Quantity (Metric)	1
Customs Number	9024800000
