

Designed to clean away excess dielectric material from the center conductor of distribution or trunk cables, this cleaner is perfect for cleaning center conductors without nicking or scratching the conductor's surface. This cleaner features the following:

- Made from high strength glass-filled Lexan material for maximum strength and durability
- Blades are made from a rugged polycarbonate material for longer life
- Can be used on any hardline cable to clean its center conductor
- Comes with a set of flat blades installed and includes an additional pair of saw-tooth blades
- Replacement Blades (CC-4) sold separately

SPECIFICATIONS	CC-120	CC-4
CABLE TYPE	COAX	COAX
HANDLE COLOR	Blue	Polycarbonate
LENGTH	4-3/4" (120.65mm)	(N/A)
WEIGHT	0.180 lbs (81.65g)	0.023 lbs (10.43g)
UPC NO.	811490017504	811490017511
