

NOW

Big industrial strength ... easy to choose packaging

Whether your customers need highly specialized tape for fingerprint lifting or the most versatile duct tape, you can put the quality of product and information they need at their fingertips. 3M industrial products, the most trusted name in tapes and adhesive products, are now wrapped for added protection and packaging featuring informative content so you KNOW you're selecting the best option for the application.

3M

Benefits of 3M™ Industrial Strength, Conveniently Packaged Products

What's in it for your customers?

- A better brand experience
- A+ supporting content
- Protected inventory
- Clear identification

What's in it for you?

- Bar codes on the inner packs for better inventory tracking
- Improved presentation/identification and less contamination of “broken case” units
- Customer-preferred identification and content
- Simple “go to” product line with clarified product positioning for easy representation
- “Ready to promote” sales tools and rewards
- Opportunity to keep pace with transformational trends shaping the future of industrial buying

General Use

- Light and medium duty use
- Rubber-based adhesive

Product Use: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. Given the variety of factors that can affect the use and performance of a 3M product, user is solely responsible for evaluating the 3M product and determining whether it is fit for a particular purpose and suitable for user's method of application.

Warranty, Limited Remedy, and Disclaimer: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. User is solely responsible for evaluating the 3M product and determining whether it is fit for a particular purpose and suitable for user's method of application. Unless an additional warranty is specifically stated on the applicable 3M product packaging or product literature, 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY OR CONDITION ARISING OUT OF A COURSE OF DEALING, CUSTOM OR USAGE OF TRADE. If the 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability: Except where prohibited by law, 3M will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.
