### Identification

|                          |                          |
|--------------------------|--------------------------|
| Category                 | Hoods/Housings           |
| Series of hoods/housings | Han Hv E <sup>®</sup>    |
| Type of hood/housing     | Bulkhead mounted housing |
| Type                     | Low construction         |

### Version

|                            |                                                                 |
|----------------------------|-----------------------------------------------------------------|
| Size                       | 24 B                                                            |
| Locking type               | Double locking lever                                            |
| Han-Easy Lock <sup>®</sup> | Yes                                                             |
| Field of application       | Special hoods/housings for Han Hv E <sup>®</sup> screw terminal |

### Technical characteristics

|                                        |                 |
|----------------------------------------|-----------------|
| Limiting temperature                   | -40 ... +125 °C |
| Degree of protection acc. to IEC 60529 | IP65            |
| Type rating acc. to UL 50 / UL 50E     | 4               |
|                                        | 4X              |
|                                        | 12              |

### Material properties

|                         |                      |
|-------------------------|----------------------|
| Material (hood/housing) | Aluminium die-cast   |
| Surface (hood/housing)  | Powder-coated        |
| Colour (hood/housing)   | RAL 7037 (dust grey) |
| Material (seal)         | NBR                  |

Pushing Performance

## Material properties

|                                                            |                                                           |
|------------------------------------------------------------|-----------------------------------------------------------|
| Material (locking)                                         | Polycarbonate (PC)<br>Stainless steel                     |
| Colour (locking)                                           | RAL 7037 (dust grey)                                      |
| Material flammability class acc. to UL 94 (locking levers) | V-0                                                       |
| RoHS                                                       | compliant                                                 |
| ELV status                                                 | compliant                                                 |
