

Specification Sheet

Part Number: TAG15-600

Metalized dot matrix polyester has a matte finish, allowing for the highest resolution and print contrast using impact printers.

The acrylic-based adhesive bonds to a wide variety of substrates and can withstand high temperatures long term.

Tabtag dot matrix labels are specifically made for use in dot matrix printers for fast and easy printing.

Labels come with a pin-feed margin to ensure they can easily be loaded into any dot matrix printing system.
