

Specification Sheet

Part Number: PFCSC

- Factory-polished zirconia ceramic ferrules for quick and reliable field installations.
- Unique wedge clip retains connector shape for precision connection.
- Easy to use- no epoxy, heat curing, polishing or special tools required.
- Color coded for easy identification.
- Meet ANSI/TIA/EIA 568-C standards.
- Meet ANSI/TIA/EIA 604 (FOCIS) connector interface requirements.

Connector, Fiber Optic SC Multimode OM1 (62.5/125), Pre-Polished (Cleave & Insert), 1/Pkg

Article Number 855-14215

Type PFCSC

Color Beige (BGE)

Quantity Per bag

Product Description Pre-polished connectors provide high performance and eliminate the need for the time consuming task of hand polishing ferrules in the field. A factory pre-cleaved fiber stub and index-matching gel combine to offer an immediate low loss termination of single mode or multimode fiber.
