Black (BK)

Quantity Per

box

Product Description

The HellermannTyton Horizontal Cover and 1U Blanking Panel is manufactured from 1.6mm matt black powder coated mild steel and is ideally suited for use centrally within the rack or panel. Specifically designed to fit all HellermannTyton angled panels the horizontal cover and 1U blanking plate removes access to the rear cables and maintains the air flow integrity within the cabinet/rack. The horizontal cover and 1U blanking plate is supplied with 12 – 24 rack screws, the panel is also available with a Cage Nut Kit, Rack Snap Mountings or without fixings if required.
