ACSR Cable Cutter
with ratchet action for cables with a steel core

95 3

Enormous power with a weight of just 2.87 lbs (1300 g)

Handy, compact and sturdy
Extremely robust design

> cuts ACSR 795 kcmil and AAC up to 1 ¼" (32 mm)
> cutters with precision cut and induction hardened cutting edges
> two-stage ratchet drive for easy cutting
> less physical effort due to very high transmission ratio
> fixed handle with support area for laying down the pliers when cutting
> locking mechanism for transporting with safely closed handles
> high-grade special tool steel; forged, multi stage oil-hardened
