

# Leiterplatten-Layout für SMT

## PCB-Layout for SMT

Anforderungsstufe 1  
performance level 1

Kontaktbereich vergoldet  
mating area gold plating

Anschlussbereich verzinnt 4-6  $\mu\text{m}$   
terminal area 4-6  $\mu\text{m}$  tin plating

Koplanarität der Anschlüsse  $\leq 0,1 \text{ mm}$   
*coplanarity area of termination*  $\leq 0,1 \text{ mm}$

Verpackt im Gurt in Anlehnung an DIN IEC 60286-3  
*tape on reel packaging according to DIN IEC 60286-3*  
 Verpackungseinheit: 650 Stück  
*packaging unit: 650 pcs*

Abspulrichtung - *reel off direction*

|                                                                                                                                                                                                    |            |                                                                                                                                                                              |  |                                                                                                             |  |
