Datasheet for part number DEMN-9S-N-K126

Our Catalog Part Number: DEMN-9S-N-K126
Our Global Manufacturing Part Number: 053516-1171
Brand: Cannon Product Category: D Sub Product Line: D Sub Series: D*M

Product Datasheet	
General	D*M High reliable D-Sub Connectors
Wire Gauge Range AWG	AWG 20-28
Mating Cycles	200
Contact Arrangement	9 contacts size 20
Dielectric Withstanding Voltage	1000 VAC at sea level
Current Rating	7.5 A max
Contact Resistance	7.5 milli Ohm max
Operating Temperature	-55°/+125°
Salt Spray Test	20 hours
Shell Material	steel
Shell Finish	Tin over nickel plating
Insulator Material	Thermoplastic, type PCT UL 94V-0
Insulator Color	black
Gender	Socket
Contact Type	Straight PCB
Contact Material	copper alloy
Contact Finish	30 Micro-inch gold
Hardware	.300? (7.6mm) Standoff, 4-40 Screwlock, Boardlock

Specifications and dimensions subject to change.
