

Low-Profile Universal TV Mount – 42” to 70”

Part Number: CE-MT0J11-S1

Overview

SIIG's Low Profile Universal TV Mount - 42" to 70" is the ultimate low profile TV mount designed to accommodate flat-panel TVs from 42" to 70" with weights up to 165 lbs (75 kgs). It secures the TV with less than 1.4" from the wall for a clean low-profile installation and is made of 2mm thick heavy-gauge cold-rolled steel for durability and reliable television mounting.

This TV mount features large rectangular shaped access holes for convenient cable routing and wiring access. The sliding bracket design with included bubble level allows easy installation and horizontal adjustment (even after installation). The Low Profile Universal TV Mount - 42" to 70" is the perfect solution enabling you to free up space and compliment your display with a clean, sleek, and professional appearance.

The Low Profile Universal TV Mount - 42" to 70" is compatible with universal and VESA standard mounting patterns, and is backed by SIIG's limited 5-year warranty.
