NTC-S1024A

Analog light controller

- Compact design,flexible for deployment;
- APPlicable to standard lights and spot light;
- Stable output current;
- Easy intensity adjustment.

Model	NTC-S1024A
Power supply	DC 24V
Output	24V 10mA～1A
Channels	1
Accommodation mode	Potentiometer 0～100（min 0,max 100）
Trigger	/
Operating Environment	Temperature 0℃～40℃,Humidity 25%～85%
Size	51mm*36mm*15mm(L*W*H)
Weight	50g
A patch cord is required when using spot light.
