Please be informed that the data shown in this PDF document is generated from our online catalog. Please find the complete data in the user documentation. Our general terms of use for downloads are valid.

Protective cover, design: VC2, housing material: PA 6, color: gray

Your advantages

- Easy assembly
- Contact inserts are protected when not plugged in

Commercial data

Item number	1886773
Packing unit	5 pc
Minimum order quantity	5 pc
Note	Made to order (non-returnable)
Sales key	AB01
Product key	ABLAZB
Catalog page	Page 48 (C-2-2013)
GTIN	4017918908461
Weight per piece (including packing)	31.4 g
Weight per piece (excluding packing)	26.6 g
Customs tariff number	39269097
Country of origin	PL

Technical data

Notes

Safety note

Safety note

WARNING: The connectors may not be plugged in or disconnected under load. Ignoring the warning or improper use may damage persons and/or property.

- WARNING: Commission properly functioning products only. The products must be regularly inspected for damage. Decommission defective products immediately. Replace damaged products. Repairs are not possible.

- WARNING: Only electrically qualified personnel may install and operate the product. They must observe the following safety notes. The qualified personnel must be familiar with the basics of electrical engineering. They must be able to recognize and prevent danger. The relevant symbol on the packaging indicates that only personnel familiar with electrical engineering are allowed to install and operate the product.

- The products are suitable for applications in plant, controller, and electrical device engineering.

- When operating the connectors in outdoor applications, they must be separately protected against environmental influences.

- Assembled products may not be manipulated or improperly opened.

- Only use mating connectors that are specified in the technical data of the standards listed (e.g. the ones listed in the product accessories online at [phoenixcontact.com/products](https://www.phoenixcontact.com/products)).

- When using the product in direct connection with third-party manufacturers, the user is responsible.

- For operating voltages > 50 V AC, conductive connector housings must be grounded

- Ensure that the protective or functional ground has been properly connected.

- VDE 0100/1.97 § 411.1.3.2 and DIN EN 60 204/11.98 § 14.1.3 are applicable when combining several circuits in a cable and/or connector

- Observe the corresponding technical data. You will find information:

- o On the product

- o On the packing label

- o In the supplied documentation

- o Online at [phoenixcontact.com/products](https://www.phoenixcontact.com/products) under the product

- Only use tools recommended by Phoenix Contact

- The installation notes/Design In documents online on the download page at [phoenixcontact.com/products](https://www.phoenixcontact.com/products) must be observed for this product.

- Use a protective cap to protect connectors that are not in use. The suitable accessories are available online in the accessory section of the product at [phoenixcontact.com/products](https://www.phoenixcontact.com/products)

- Operate the connector only when it is fully plugged in.

- Ensure that when laying the cable, the tensile load on the connectors does not exceed the upper limit specified in the

VC-SD-A2 - Protective cover

1886773

<https://www.phoenixcontact.com/us/products/1886773>

standards.

- Observe the minimum bending radius of the cable. Lay the cable without twisting it.

- The connector warms up in normal operation. Depending on the ambient conditions, the surface of the connector can continue to warm up. In this case, the user is responsible for posting warnings (e.g. DIN EN ISO 13732-1:2008-12).

Product properties

Product type	Protective cover
Type	VC2
Type	for the panel mounting side
Fixing screws	M4
Seal present	yes

Dimensions

Dimensional drawing	
Width	74 mm
Height	23.3 mm
Length	33 mm

Material specifications

Color	gray
Color of the housing part	gray
Material	PA
Flammability rating according to UL 94	V0
Seal material	EPDM
Housing material	PA 6
Material, protective cover	PA

Mechanical properties

Mechanical data	
Locking type	Screw

Environmental and real-life conditions

Ambient conditions	
Degree of protection	IP65
	IP65
Ambient temperature (operation)	-40 °C ... 80 °C

Mounting

VC-SD-A2 - Protective cover
