

USB 2.0 USB-C to C 60W PD Fast Charging Braided Cable Black/Gray 6 Ft.

P/N: USB2-CC60WBK-06

- Supports PD3.0, QC3.0, and QC4.0 fast charging technologies, delivering rapid charging speeds of up to 60W (20V/3A). Additionally, it enables high-speed data transfers of up to 480Mbps.
- Crafted with a high-quality nylon braided cable and robust aluminum housings, ensuring outstanding durability and long-lasting performance.
- Facilitates high-speed USB-C charging for Quick Charge compatible devices, allowing you to power up your devices quickly and efficiently.
- Incorporates a newly enhanced strain relief design that has successfully passed rigorous testing, including over 30,000 bending tests. This design provides superior protection and longevity, ensuring the cable withstands everyday wear and tear.
- Specifically designed to optimize both fast charging and data transfer capabilities, offering a reliable and efficient solution for all your charging and syncing needs.
- **This USB-C cable does not support video output.**

Compatible With:

- **Smartphones with USB-C ports:** All iPhone 15 models, Samsung Galaxy, Galaxy Note, Google Pixel, Motorola Moto, Sony Xperia, LG Velvet, etc...
- **Tablets and Laptops with USB-C ports:** Samsung Galaxy Tab, Lenovo Tab, Microsoft Surface Pro, MacBook Pro (2016 and later), MacBook Air (2018 and later), iPad Pro 11", iPad Pro 12.9" (3rd and later), iPad Air (4th and later), etc... and other USB-C devices
