## **4K Premium HDMI Certified Cable with Aluminum housing, Supports HDMI 2.0 4K HDR Ultra HD, 18 Gbps, 4K 60Hz**

**P/N: HD-4K18G-04 (4 ft.), HD-4K18G-06 (6 ft.), HD-4K18G-10 (10 ft.)**

Tera Grand Premium Certified High Speed HDMI Cables Support new HDMI 2.0b features such as 3D, 4K Ultra HD, HDR, Dolby Vision HDR, Audio Return Channel, Dolby TrueHD and DTS-HD Master Audio.

### **HDMI Premium Certification Label**

This label ensures the product was tested by an official HDMI Authorized Testing Center(ATC) through the HDMI 2.0 Premium certification program.

### **Trust the Cable with the Label**

Products with the HDMI Label are officially tested to deliver HDMI 2.0 specs: 4kUHD @ 60hz, 18Gbps, HDR, Dolby Vision, HDR, RGB 4:4:4 Chroma, & HDCP 2.2. Many HDMI cables will fail when put to the task of delivering these specs. When buying the cable with the label, you can buy confidently knowing you can get the most out of your home theater setup.

### **Secure QR Code & Hologram**

Each of our product packaging has its own verification label on it. The use of the QR code and hologram, each cable has its own unique code to ensure the authenticity of the product. Download the HDMI Premium Cable app to scan and verify.

### **Premium Cable, Premium Construction - Max Protection Against EMI & RFI Interference**

#### **Premium Connectors**

Built with a 24K Gold Plated Connector with Aluminum Housing on both ends. Inside the Aluminum housing and inner mold, there is a Metal Shielding Case which provides maximum protection from EMI & RFI interference as well as greatly increasing structural integrity and longevity.

- 24K Gold Plated Connector and Contact Pins
- Metal Shielding Case

- Aluminum Housing over inner mold

### **Premium Wiring**

Built with multiple layers of shielding for maximum noise reduction. Less EMI & RFI interference allows for crystal clear visuals and 4K UHD picture. Cable constructed with 3 layers of shielding within wiring with additional shielding on each connector.

- Aluminum Mylar Foil Shielding over each Twisted Pair
- Second Aluminum Mylar Foil Shield to Bundle Wiring Together
- 95% Copper Braid Shielding

### **Compatibility**

- Connects a standard HDMI device to an 4K TV/other standard HDMI device.
- Backwards compatible with ALL previous HDMI standards.

Works with Devices with standard HDMI ports, like 4K UHD TV, HDTV, Blu-Ray player, PS4 Pro, PS4, PS3, Xbox One X, Xbox One S, Xbox One, Xbox 360, Apple TV 4K, Roku, Boxee, Computer, PC, Mac, stereo, monitor & projector.
