CARBON™ RACK HARDWARE

CRA60002

For assistance with
installing/setting up various racks

The CRA60002 rolling caster kit can be used to convert rack enclosures, wall mount enclosures, and 4 post open frame racks to rolling racks. The kit includes (4) 2" casters rated to support up to 550 lbs per caster, an installation guide, and mounting hardware. The CRA60002 kit is covered by a 5-year limited warranty.

FEATURES

- Type: (4) 2" casters
- Capacity: 550 lbs per caster
- Warranty: 5 years

Note: Casters are intended for moving racks and equipment short distances only.
