ABS Plastic Project Enclosures *RL Series*

Deep Lid

Key Features:

- Designed to house P.C. boards for hand-held use.
- Molded in light grey or black general purpose ABS plastic with a light texture (material carries a UL flammability rating of UL94 HB).
- Two-part, snap action clam shell construction. Both halves include smooth recessed area for membrane, label or silkscreen.
- P.C. board standoffs are molded into both halves of the enclosure (see photo tables for details).
- Designed to meet IP54.
- Includes four M3 lid screws and four short M3 P.C. board screws.
- For replacement lid screws (quantity 50) order part number **SC617-50**.
- For replacement P.C. board screws (quantity 50) order part number **SC622-50**.
