About Computer Mouse Mat

1. **SMOOTH SURFACE AND EASY TO ROLL:** Made of a soft fiber woven material with a smooth surface and thick edges. The performance-tuned 75D micro woven fabric surface of the Computer Mouse Mat provides maximum accuracy and consistency for gaming mice by providing optimal sensor imagery that translates mouse movement into precise cursor movement even at high speeds, providing a satisfying experience while working or gaming. Dimensions - 300*250*3mm.
2. **NON-SLIP RUBBER BASE:** The mouse pad base is made of soft, non-slip rubber that firmly grips the desktop, effectively preventing the mouse and keyboard from sliding and moving, and does not add to the mess on your desk. The rubber base is safe for human health and does not emit any unpleasant odors.
3. **WATER RESISTANT AND EASY TO CLEAN:** The surface is made of high-density waterproof coating fabric, Mercerized materials + Natural Rubber Base. If you spill water or food on it, wipe it with a damp cloth; this mouse pad is easy to clean with water without fading; after cleaning, simply place it in a ventilated area and wait for it to dry.
4. **DELICATE STITCHED EDGES FOR DURABILITY:** Double stitched edges protect the mouse mat from fraying, Peeling, and degumming and ensure that it will not tear with repeated use. It also improves the mouse mat's appearance and lifespan. If you have any questions about our products, please contact us; we are always happy to help.
5. **ELEGANT LOOK AND PERFECT DESIGN:** We are concerned with both quality and appearance. Our designer's handpicked pattern of the computer mouse mat enhances the mousepad's beauty and appeal. It is an excellent choice for a holiday gift for family and friends. Choose us, and let our mouse pad make your life more colorful

Computer Mouse Mat Description

Introducing the ultimate PC accessory that promises to take your computing experience to the next level. 5 Core Computer Mouse Mat features a smooth surface and thick edges made of soft fiber woven material that guarantees maximum accuracy and consistency for gaming mice.
