8 Piece Parallel Pin Punch Set

with Guide Sleeves

Our 8-Piece Parallel Pin Punch Set with Guide Sleeves is crafted from high-grade tool steel, this set is designed to make pin installation and removal a breeze.

Materials and Durability:

- Manufactured from high-alloy tool steel, these punches are built to last.
- The guide sleeves are zinc-chromated and knurled for easy handling.
- Each punch pin is hardened to achieve the perfect balance of hardness, strength, and durability.

Versatility:

- These special punches are ideal for installing and removing roll pins e.g. from pistols, rifles, and other applications.
- Use them confidently for precision work.
- The included guide sleeves make pin installation and removal a breeze. Say goodbye to frustration and hello to efficiency

Quality Assurance:

- Made in Germany by Rennsteig, these tools meet and exceed industrial standards.
- Heat-treated for optimal performance, they strike the perfect balance between hardness and strength.

Whether you're an armorer, gunsmith, or DIY enthusiast, our Parallel Pin Punch Set with Guide Sleeves will be your trusted companion.

Experience craftsmanship at its finest.
