

KNIPEX Quality – Made in Germany

KNIPEX Ratcheting Knife

The new ratchet stripping knife from KNIPEX

KNIPEX Ratcheting Knife

With guide shoe and ratchet function

- ▶ Ratchet function enables stripping with less effort for a variety of larger diameter cable sheaths
- ▶ Multi-functional blade featuring three cutting areas for round and longitudinal cuts
- ▶ Guide shoe prevents damaging conductor insulation under the cable sheath

- > Strips hard or tough plastic sheaths up to 1/4" wall thickness
- > Three-line depth gauge on blade indicates depth in millimeters
- > Sickle-shaped hook blade can be folded for transport and storage
- > Blade with four positions: folded, straight, angled and ratcheting
- > Thumb rest to apply necessary pressure during cutting
- > Three-stage lock for blade positioning and transport
- > Integrated tether attachment point for use with KNIPEX Tethered Tools System
- > Housing made of glass fiber reinforced plastic

Perfect tool for stripping tough cable sheaths

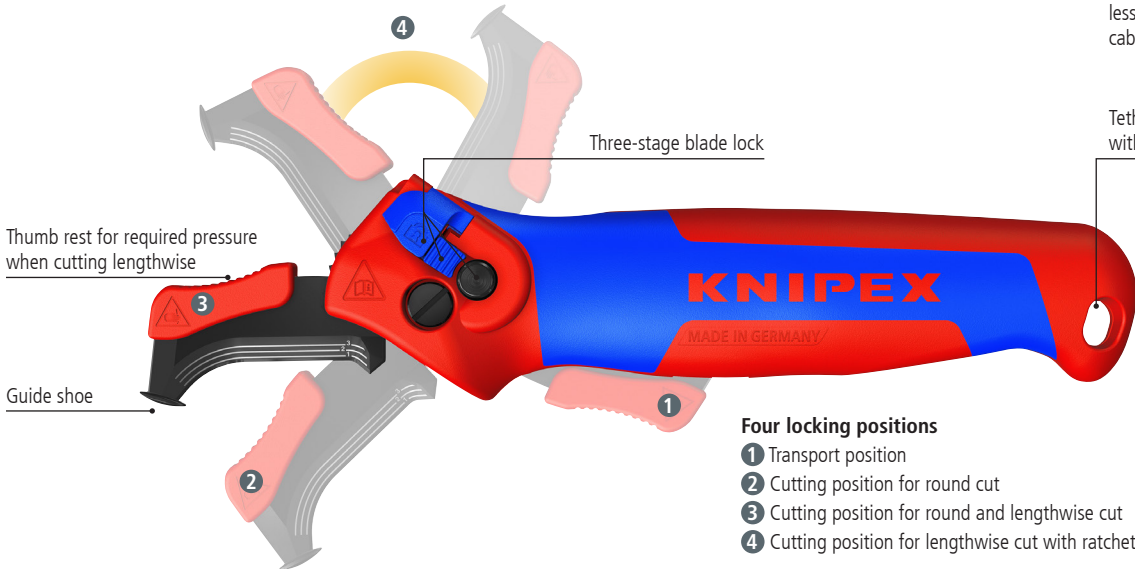

Two blades for pushing or pulling lengthwise cuts

Back blade for round cutting

Ratchet function enables stripping with less effort for a variety of larger diameter cable sheaths

Tether attachment point can be used with KNIPEX Tethered Tools System
