150ft/45m; 200ft/60m; 250ft/75m; 300ft/90m; 328ft/100m

TECH SPECIFICATIONS

Features

Empowering 3G-SD

Seamlessly supporting 3G-SDI cameras and equipment, BG-CAB-SDI unleashes the true potential of your video devices. Whether you're working with live broadcasts, studio setups, or recording environments, these cables ensure your content remains true to its form.

Full HD Brilliance

With the capacity to handle resolutions up to 1080P, BG-CAB-SDI delivers your visuals in Full HD brilliance. Experience vivid colors, sharp details, and lifelike images that capture every nuance of your content.

Impressive Reach

Don't let distance limit your creativity. BG-CAB-SDI grants you the ability to extend your setup up to 100 meters while maintaining impeccable quality. This flexibility is essential for setups that demand spatial freedom without compromising visual excellence.

Unmatched durability

Precise Construction

Crafted with precision, BG-CAB-SDI utilizes the industry-standard 75-ohm shielded coaxial cable paired with top-tier BNC connectors. This combination guarantees minimal signal loss, preserving the integrity of your video data from end to end.

Shielding Against Disruption

Thanks to the meticulously designed woven shield, BG-CAB-SDI effectively rejects electromagnetic interference. The result? Pristine images devoid of artifacts, ensuring that your content looks exactly as intended.

Versatile Reliability

Whether you require a dependable connection for a temporary event or a permanent installation, BG-CAB-SDI rises to the occasion. Its durability and steadfast performance make it an ideal choice for various applications where high-quality SDI connections are a must.

Industry-Leading Warranty & Support

BZBGEAR Pro AV products and Cameras come with a three-year warranty. An extended two-year warranty is available for our Cameras upon registration for a total of five years. We pride ourselves in our Customer Service and seven-days-a-week Tech Support.
