

Part Number : 2077781104

Series Number : 207778

Product Category : Connector Housings

Product Description : Squba 3.6 Sealed Plug Assembly, 3.60mm Pitch, 4 Circuits, Single Row, Glow-Wire Capable, with Clipslot, Key A, Red, UL1007/UL1061 Compatible

Status : Active

#### General

|                |                                                                                                                                              |
|----------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Status         | Active                                                                                                                                       |
| Category       | Connector Housings                                                                                                                           |
| Series         | 207778                                                                                                                                       |
| Description    | Squba 3.6 Sealed Plug Assembly, 3.60mm Pitch, 4 Circuits, Single Row, Glow-Wire Capable, with Clipslot, Key A, Red, UL1007/UL1061 Compatible |
| Application    | Power, Signal, Wire-to-Wire                                                                                                                  |
| Product Family | Squba Sealed Wire-to-Wire Connectors                                                                                                         |
| Product Name   | Squba                                                                                                                                        |
| UPC            | 196823171451                                                                                                                                 |

#### Agency

|    |        |
|----|--------|
| UL | E29179 |
|----|--------|

#### Physical

|                       |         |
|-----------------------|---------|
| Circuits (maximum)    | 4       |
| Color - Resin         | Red     |
| Flammability          | 94V-0   |
| Gender                | Plug    |
| Glow-Wire Capable     | Yes     |
| Keying to Mating Part | None    |
| Lock to Mating Part   | Yes     |
| Material - Resin      | Nylon   |
| Net Weight            | 5.996/g |
| Number of Rows        | 1       |
| Packaging Type        | Bag     |

|                               |                |
|-------------------------------|----------------|
| Panel Mount                   | Yes            |
| Pitch - Mating Interface      | 3.60mm         |
| Pitch - Termination Interface | 3.60mm         |
| Polarized to Mating Part      | Yes            |
| Temperature Range - Operating | -40° to +105°C |

---

## Mates With / Use With

### Mates with Part(s)

| Description                                                                                                                         | Part Number       |
|-------------------------------------------------------------------------------------------------------------------------------------|-------------------|
| Squba 3.6 Sealed Receptacle Assembly, 3.60mm Pitch, 4 Circuits, Single Row, Glow-Wire Capable, Key A, Red, UL1007/UL1061 Compatible | <u>2077820104</u> |

### Use with Part(s)

| Description              | Part Number   |
|--------------------------|---------------|
| Squba 3.6 Plug Terminals | <u>207776</u> |
