DTL 4PK

PRODUCT DESCRIPTION

- HIGH-QUALITY- **Smudge-Free & Fade-Resistant labels**. **Resists Scratches, Water, Dirt, Dust, and Grease**. The thermal labels use upgrade material that **prints crystal clear** images and **easy-to-read barcodes**. 5 Core, Arkscan, Zebra, Fargo, Elton, Rollo, Sato, Intermec, Datamax, Printronix, and other direct thermal printers. **USPS, UPS, FedEx, DHL Amazon, eBay & PAYPAL Approved**.

- WIDE COMPATIBILITY- 5 Core labels Application Supports: **Parcel delivery labels, logistics distribution labels, cross transfer labels, retail shelf labels, warehouse management labels, Address labels, weighing labels for groceries, cooked food, bread, hot food labels, self-weighing labels, retail labels; Product tags, production tags, industrial tags, RFID** tags, etc. **NOT COMPATIBLE WITH DYMO PRINTERS.**

- ULTRA STRONG ADHESIVE- **Super permanent adhesive** to almost any box or mailer, including the corrugated boxes and envelopes, **will not detach during shipping**. Just peel and stick without having to use packing tape.

- SPECIFICATION- **4 X 6. 1 roll = 250 labels**. Standard size for platforms: Amazon, eBay, Shopify, FedEx, UPS, USPS, PayPal, etc.

- PERFORATED- Blank **4x6 mailing label** with the **perforated line for easily peeling** off. 5 Core advocates the attitude of green, energy-saving, and low-carbon development. We adopt **advanced thermal technology** in printers instead of carbon cartridges, **advocating environmental protection** with young people.

*****NOT COMPATIBLE WITH DYMO PRINTERS.*****
